

## Pipe Cleaning Nozzles (For Rigid Lance)

| M6 (male) Rigid Lance Nozzle |               |            |
|------------------------------|---------------|------------|
| Jet Configuration            | Hole Diameter |            |
|                              | 0.9 mm        | 1.0 mm     |
|                              | Part No       | Part No    |
| 3 forward                    | -             | 90.00.0005 |
| 3 forward + 2 backward       | 90.00.0006    | -          |

| 1/4 (female) Rigid Lance Nozzle |               |            |                  |
|---------------------------------|---------------|------------|------------------|
| Jet Configuration               | Hole Diameter |            |                  |
|                                 | 1.0 mm        | 1.1 mm     | 1.2 mm           |
|                                 | Part No       | Part No    | Part No          |
| 3 forward                       | -             | 90.00.0031 | -                |
| 4 forward                       | -             | 90.00.0032 | (30°) 90.00.0033 |
| 5 forward                       | -             | 90.00.0034 | -                |
| 6 forward                       | -             | -          | 90.45.4699       |
| 1 forward + 4 forward           | 90.00.0044    | -          | -                |

| 1/4 Rigid Lance Nozzle (1 + 3 forward)  |            |
|---|------------|
| Jet Configuration (Hole Diameter)       | Part No    |
| 1 forward (1.2 mm) + 3 forward (1.0 mm) | 93.05.5700 |
| 1 forward (1.0 mm) + 3 forward (1.0 mm) | 93.05.5701 |
| 1 forward (1.2 mm) + 3 forward (1.2 mm) | 93.05.5702 |
| 1 forward (1.0 mm) + 3 forward (1.2 mm) | 93.05.5703 |

| Tip Lance Nozzle                         |            |            |
|--|------------|------------|
| Jet Configuration (Hole Diameter)        | 1/8"       | 1/4"       |
|  | Part No    | Part No    |
| 4 forward (0.9 mm) + 4 backward (0.9 mm) | 90.00.0062 | -          |
| 5 forward (1.0 mm) + 3 backward (1.0 mm) | -          | 90.00.0045 |
